

Summer Reading Challenge – 5th Grade

Students will read “Family Under the Bridge” by Natalie Savage Carlson” prior to the first day of school. In addition, student will complete the following:

- ✓ _____ Find the country of France on a map or globe.
- ✓ _____ Using a mapping program, determine the distance (in miles) between your home address and Paris, France.

This distance between my address _____
and Paris, France is _____ miles.

- ✓ Write a one page paper on France, discussing facts such as: exports, government, population, notable historical events, notable French citizens, holidays, etc. Your paper should contain properly formatted sentences and paragraphs and be free of spelling and grammatical errors. Make sure your paraphrase information taken from the research of others and identify the sources of your information at the end of your paper.

The summer reading assignment is due on August 16, 2017.
